

At AllCap Funding,

we take the advantage away from lenders and put it back into the consumer's hands. This gives you the competitive edge against lenders that allows you to get the capital you need.

NEED FUNDING FOR YOUR BUSINESS?

Benefits of Our Strategic Funding System

- No cost or obligation to get your funding analysis
- Funding can be accessed within weeks instead of months
- Due to research and development and leveraging our data science team, we can acquire larger amounts of capital
- Review live offers prior to fees and credit pulls
- Loan offers are presented transparently so you are in control of which loans fit your financial needs

Funding Program - Unsecured Term Loans:

- Funded loan rates range from 6-15%
- Average 5-7 year terms
- For consumers with less than 40% DTI and 680+ Score
- Funding Range \$30,000 - \$500,000 per borrower
